

SOLERO® CIELO PRO

The Solero Cielo Pro **260x260 cm** just belongs at home in your garden. This heavy, cantilever parasol has a 260cm*260cm diameter. With its innovative control system you can open or collapse this quality parasol in a flash.

It's very easy to put this parasol into different skewing positions, without having to use the least bit of force. The firm base of the Cielo parasol is equipped with a clever turning mechanism. You can rotate this garden parasol easily and in 360 degrees by simply pressing the foot pedal. By releasing this pedal, this handy floating parasol will be automatically locked in its position.

EXTEND THE COSINESS

With the Cielo Pro comes the Solero Accento. This fantastic Solero Accento is provided with a charger. Using this, you can charge high quality batteries in a matter of hours. With the Cielo Pro parties can last longer, and it'll remain cozy for much longer.

PLENTY OF SHADE

The Cielo Pro by default is delivered with a set of free cross feet. Would you like to anchor the parasol on your patio? In that case you can order the special ground anchor.

BLACK STAYS BLACK

The canvas is made of a durable heavy quality and is guaranteed colorfast. Black will remain deep black, even after several years. Every fiber is colored individually before being weaved. On top of that, we'll provide you with a gray protective cover for your parasol, free of charge.
